With only two previous owners, this 2016 Hyundai i10 SE is a smart choice for those seeking a reliable and economical city car. Equipped with a 1.0L petrol engine and finished in SE trim, this i10 includes Vehicle Stability Management (VSM) for enhanced safety, along with practical features such as 15in steel wheels and front seatbelt electric-type pretensioners. The sleek black B pillars add a touch of style, while sun visors with vanity mirrors offer added convenience for both the driver and passenger. This Hyundai i10 stands out with its impressive fuel economy, achieving around 60 mpg, meaning fewer trips to the petrol station and more money in your pocket. Furthermore, its low CO2 emissions mean you'll be contributing to a cleaner environment.
